

Liz Mayo here, and on behalf of the Cultural Council of Indian River County (CCIRC), I administer the Art in Public Places program that takes place in the County Administration Buildings.

If you are not familiar with the Art in Public Places program, The Cultural Council reviews and juries CCIRC member artists' work for rotating exhibitions in Indian River County and Vero Beach public buildings, coordinates and encourages Public Art projects with local government agencies and non-profit organizations and serves as an advocate for public art in Indian River County.

Our County Administration Buildings are one of the locations for this program. Areas in each of the two buildings have been designated for each gallery, club or individual artists members to display their art, with the ability to "change out" piece(s).

If you are a member of the CCIRC - or wish to become a member (contact the office at 772-770-4857 to do so) - you are invited to participate in this program in the County Administration Buildings. If you have already been a participant in the program, thank you for sharing your work with our community! We have had wonderful positive feedback from the public - and art has sold!

We invite you to hang your art piece on TUESDAY MAY 2nd from 9-10am (alternate hanging arrangements may be arranged a day or two before that date, contact me for details). If you are a new participant to this program, please email me your contact info ASAP, and I will send to you all of the details of the program. If you currently have a piece displayed, this is the time to take it down and (if you wish) replace it with a new piece. Please email me the name of your artwork, medium and price as soon as possible, so that I can create a tag for your work, and hopefully, encourage a sale!

What makes this program work is **YOUR PARTICIPATION!** It is a wonderful way, easy and free (as a perk of CCIRC membership!) to expose your art to our community.

Feel free to contact me for more details or if you have any questions.
I hope to see you - and your art on 5/2/17!
