

As a member of the Cultural Council, you are invited to submit paintings (or other type of 2D artwork) to be hung in each location and according to above designated theme. By February 28, please send a jpeg digital file of each piece you would like considered to the Cultural Council, email Lisa@cultural-council.org. While you may send as many digital files as you like; no artist will have more than 3 paintings selected for hanging. In the email include your contact info: first and last name, email address and phone number, plus details of your piece(s) - title, medium, size (w x h) and price. Digital files will be reviewed and selected by a committee of the IGC or Airport. You will be notified of paintings selected with information as to when and where the paintings are to be delivered.

- We wish to keep the buildings filled with art. If you need to remove a piece prior to the end of the exhibition, you must first contact the Cultural Council at 772-770-4857 to make arrangements.
- Installations change out about every 3 - 4 months.

The gallery spaces are seen by hundreds of people each day, and numerous works have been sold. It is a wonderful way for your art to be seen and exposed to the community-and possibly sold, so if you plan to participate, please submit your best work.
